

GKB 2008 Analog Camera

Weatherproof Camera with Infrared and Fixed Lens

GKB 2008 is a weatherproof camera for use in outdoor surveillance installation or Vehicle Rear View System. GKB 2008 provides sharp picture in both day time and night time, and the all-in-one design features weatherproof housing, and mounting bracket.

Features:

- **Built-in Infrared**

Infrared sensors inside the camera's housing provide the ability to capture images during night and low-light conditions.

- **Weatherproof Housing**

Weatherproof housing allows GKB 2008 to be installed in most applications and environments, including in summer, winter, sunny day or rainy day; making it an ideal camera for outdoor surveillance.

- **Built-in Fixed Lens**

GKB 2008 includes a standard 6mm fixed lens for fixed angle capture, and optional 8mm lens for longer focal range.

- **Tunable to 4 Din connector for Vehicle**

GKB 2008 is an ideal weatherproof camera for outdoor usage and tunable for Vehicle Rear View System.
